About

I teach Computer Science — and I'm still learning it, too.

That's the thing about education: it never really ends. I bring that mindset into every lecture, discussion, and assignment I design.

Disciplines

- Information System
- Information Security
- Internet of Things
- Linux System Administration

Educations

Master of Information Technology

2015 — 2018

Universitas Gadjah Mada

Thesis: Efficient Image Reconstruction for Resource-Constrained Embedded Devices
